CYSAT® ACADEMY

HOW TO OBTAIN YOUR CERTIFICATION?

STEP 1: REGISTER TO A CYSAT ACADEMY SESSION

**STEP 2**: ATTEND THE SESSION AND COMPLETE THE ACTIVITIES

Workshops are offered during CYSAT events, both online or in person.

Available topics: ethical hacking, satellite cybersecurity, incident management, cryptography, and more.

This may include a mini-assessment or a practical exercise, depending on the topic.

STEP 3: RECEIVE YOUR OFFICIAL CERTIFICATE BY EMAIL

February 27, 2025

The CYSAT Academy Course Certificate

Is hereby given to
John Doe
for participating to the CYSAT Academy
session on 27/02/2025.

Mathieu Bailly, PhD
Director of CYSAT

Certificate ID **7764**

The certificate is in PDF format, with your name, the module name, and the date.

3

STEP 4: ADD THE CERTIFICATION TO YOUR LINKEDIN PROFILE IN ONE CLICK

You will receive a direct link to add the certification to the "Licenses and Certifications" section of your LinkedIn profile.

WHY ADD IT TO LINKEDIN?

01 MORE THAN 40% OF RECRUITERS USE LINKEDIN CERTIFICATIONS TO VALIDATE A CANDIDATE'S TECHNICAL EXPERTISE.

02 IT INCREASES YOUR CHANCES OF BEING FOUND IN SKILL-BASED SEARCHES.

03 IT SHOWS YOUR INVOLVEMENT IN LEADING EVENTS LIKE CYSAT.
